Moonwalking with Treatment-Teaching Literature

By Olivia Atkins on 25th August 2015 [@Olivia__atkins](#)

Ghostwriters The Moon Unit launch a new book to answer unanswered questions about pitching and treatment-writing.

If you've ever experienced writer's block or struggled to voice your idea, have you considered help from a ghostwriter?

While it might not be everyone's cup of tea, [The Moon Unit](#) – an internationally secretive round-the-clock ghostwriters' community – writes anonymous pitches and treatments for commercials. Read more about the community and its owner [here](#).

Their latest project? Launching an e-book about writing great treatments aimed at helping progressive TV commercial directors.
